- Include consignor name, item number, size, price and a description of garment (see example). Please ensure that all items have new tags. Garments must be on hangars.
- Put a standard size hole punch where the “#” symbol is located (for all tags that will be used on clothing) and attach to your items.
- Attach card with a safety pin to the upper right front of garment (use hole punch to make pinning tag on garment easier).
- Please make a large star on the bottom left hand corner of the tag on the items that you do not want returned to you after the sale.
- To avoid the confusion and delays of in the drop off, we are asking that all items be tagged prior to drop off. **There will be NO tags available at drop off.**
